Promoted by Gautam Bhagat, the top management, comprising of the promoter and Gajendra Kumar Gupta (Director) have a combined experience of over four decades in the logistics industry. They have worked on some of the most challenging projects in some of the toughest terrains and weather conditions. It was but natural for them to embark on a visionary entrepreneurial venture on a turf they call their second home.

Established in 2012 in UAE, Speedlink has successfully expanded its footprint to various countries across hemispheres.

Speedlink's inherent strength lies in providing requisite multimodal logistics support to exporters and importers who have been plagued by missing linkages to / from many countries which are landlocked or situated in rugged, remote or practically inaccessible strife-torn regions.

Our success and growth have been possible due to the vast knowledge of the top management, skilled in-house team and, highly competent partners and associates in every aspect of logistics function including local customs, processes and procedures. Relationship, developed over the years, with shipping lines, road hauliers, railway operators and airlines has provided Speedlink with a firm base to suggest the best possible mode or combination of transport options from origin to destination.
